### 2025 Child Care Tax Statements

Cindy will email your 2025 Tax Statements in mid-January. The email will come from SCUMPinvoices.com.

### Parent Teacher Conferences

January 26 - February 6th

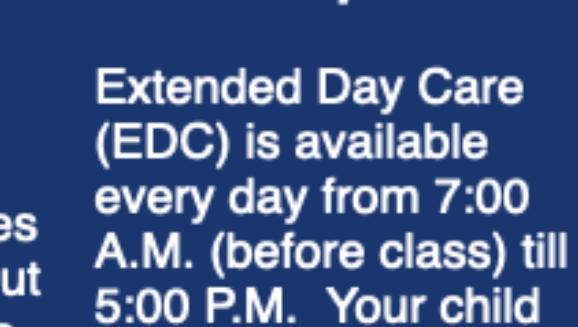

The teachers have been working hard on your child's observation.

We are using **ASQ-3** (Ages and Stages Questionnaire) forms, as our assessment tool, which were developed to be a general developmental screening tool. They will provide you with a look at where your child tests in the following areas of development: communication, gross motor skills, fine motor, problem-solving, and personal-social skills.

Assessments will be sent home on January 20th and 21st. Observations will be handed to you, or you can pick them up in the Office.

Parent Teacher Conferences will take place between January 26th through February 6th. Meeting with your child's teacher will allow you to discuss any concerns and questions you may have regarding the current curriculum, developmentally appropriate behavior, and kindergarten readiness.

There will be a sign-up sheet outside your child's classroom. We encourage all parents to participate. If you need to change or reschedule your time at the last minute, please don't hesitate to get in touch with your child's teacher directly. We understand that unexpected circumstances can arise, and we are here to accommodate your needs.
